Markova obitelj voli čitati knjige i u kući uopće nemaju televizor. Lanina obitelj voli nogomet pa svake subote odlaze na piknik i igraju s drugim ljubiteljima nogometa. Marinina obitelj voli spavati pa vikendom, kad nema škole ni posla, spavaju do jedan sat poslijepodne.

Moja se obitelj obožava maziti. Ono kad nekoga od srca zagrliš i pomaziš. Samo da mu pokažeš da ti je drag. A članovi moje obitelji to rade najbolje na svijetu. Mama me pomazi prije i poslije posla. Kao i Tonku. Baka nas mazi kad pojedemo pun tanjur griza na mlijeku. Mama pomazi baku jer nas je uspjela nagovoriti da pojedemo sve. Najčešće se mazimo bez ikakvog razloga. Maženje je jako zdravo. Pomaže nam da ostanemo sretni i veseli tijekom cijeloga dana. Maženje grije zimi i rashlađuje ljeti. Zato neka svaki dan bude dan maženja!
